

ROYALCLUB

JERSEYCLUB

JERSEYCLUB is a new complete typeface family designed for sports usage. Created to catch up with the lack of sporty fonts with multilingual support, special characters, numbers and symbols, JERSEYCLUB comes in Serif and Sans Serif editions. Each edition comes in 3 weights (light, regular & bold) to match most sport topics and usage. JERSEYCLUB typefaces contains 167 glyphs, and all of them includes caps and small caps.

The whole typeface family can be used for both personal and commercial projects.
